

Help Us to Help Prisoners

There are prisoners who are working very hard while in prison to prepare themselves spiritually, and in every other way possible, to live good Christian lives after they are released from prison. You can help us, by supplying us with the information we need to help them. If you can give us information to help them, in the ways we are asking for help, please write to us at the following address:

Eternal Truth Network, Inc.

Some inmates have become very devout, serious, and fervent Catholics while in prison. They have been making an intense effort, with the help of God, to acquire the deepest understanding and love for Jesus Christ, and his Catholic Church, by studying, and living their Catholic faith, to the best of their ability. They would like to serve the Lord in the Catholic Church, anywhere in the world as diocesan or religious order priests, brothers, or in monastic orders.

We are building a website www.hopeforeveryone.com, to include what is written in this book, to help, not only people in prison, but also their families, ex-convicts, parolees, victims of crime, and even curious children to overcome, with the help of God, the effects of crime in their lives.

With your help, we would like to list on our website www.hopeforeveryone.com places around the world, where Catholic men and women, who had spent time in prison, would have **possibilities for a religious vocation.**

Inmates need gainful employment in order to live a good Christian life, after they are released from prison. We would like, with your help, to list on this website addresses and phone numbers of places in Texas, who might be willing to employ ex-convicts.

We will always respect the right of privacy of prospective employers. Those goodhearted employers must be the ones who write to us and give us permission to make their desire to hire ex-convicts known on our website.

For parole, prisoners must have a place to go where they will be welcome, and will be cared for. If they don't have relatives, or a home to go to where they will be welcome, they must find a halfway house for themselves, in order to be released from prison. There are very few Catholic Halfway Houses in Texas. We would like, with your help, to list on this website, Catholic Halfway Houses . If you can give us the name and address of a Catholic Halfway House in Texas, we will be most grateful.
